

IICN Education Bursary

Grant Conditions

1. The Irish Institute of Clinical Neuroscience invites applications for a special education bursary to be awarded in 2009 to support education in clinical neuroscience.
2. This award will provide an opportunity for clinical neuroscientists to work at a recognised centre of excellence to support or develop their education and training.
3. The award may be used towards expenses for a larger project.
4. Applicants must be of at least specialist registrar or equivalent grade.
5. Applicants must include their CV and an account of the work to be done or course to be attended.
6. The application must be supported by a letter from an IICN member and also a letter of acceptance from the host institution where applicable.
7. The closing date for applications is October 12th 2009.
